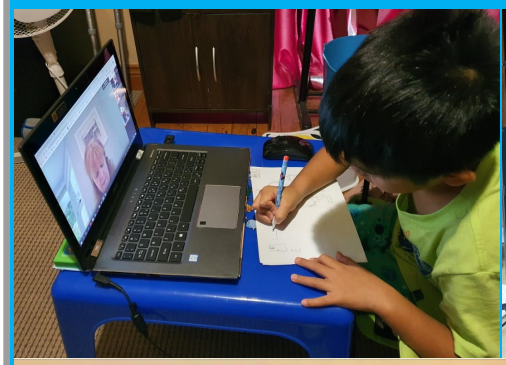
Te Kupu o te wiki

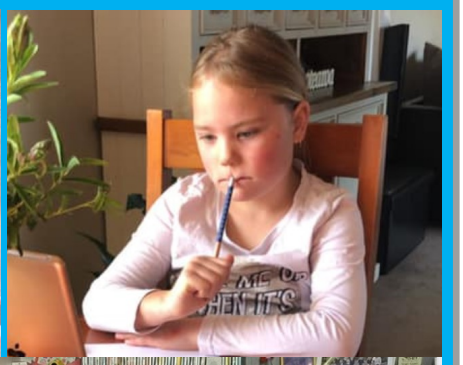
Manaakitanga = hospitality, kindness, generosity, support.
The process of showing respect, generosity & care for others.

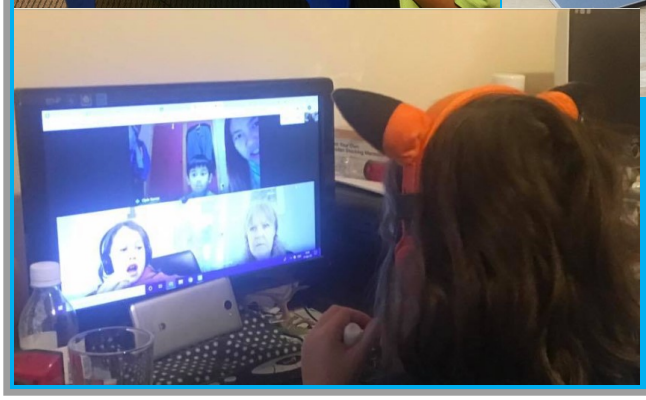
Welcome to Online Learning!

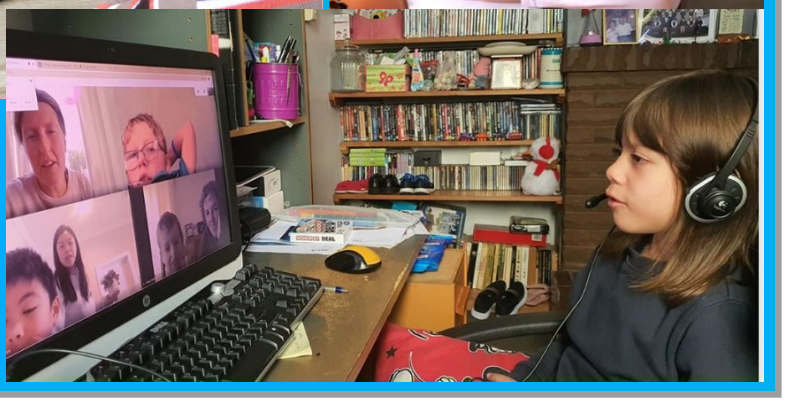
Welcome back to school. A very different start to what we usually experience. I am sure that by now most of you have had a look at the website that was created during the school term break. We hope you have managed to find it useful. If you are having difficulty please email. I am sure you are all eagerly awaiting what announcement the Government will make next week in relation to our COVID—19 level and how this will affect schools. The Ministry of Education will then provide guidelines to schools of how schooling will look. No matter what the announcement brings, the teachers will continue to provide the best learning experiences that they are able to. It has been great catching up with families over this last week and hearing about the fun things you have been up to. Thanks to Sharna for keeping us entertained via the PTA page and to all those who are contributing their photos and activities too! God bless and keep us safe.

Here are some of the new learning zones!









Some home Learning Experiences—Keep up the good work!

Week 1 Second week of Easter (White)

Lord, we are so grateful for all the people who continue to work each day for us. We ask that You bless and protect them as they serve. Give them grace to handle disgruntled customers during supplies shortages. Keep their bodies healthy as they unload and stock boxes of supplies. Keep their cars and trucks running smoothly as they deliver needed supplies and food people have ordered online. And please protect them all from contracting the new coronavirus.

Because of the LORD's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness. *Lamentations 3:22-23 (NIV)*
