Dear Parent/Caregiver,

The Institution of Professional Engineers New Zealand (IPENZ) runs a range of education related initiatives aimed at creating a greater awareness of careers in engineering technology and science, and meeting the objectives of Technology in the New Zealand curriculum. IPENZ has made a commitment to the support of Technology and careers promotion. We undertake this activity through four key initiatives: Futureintech www.futureintech.org.nz, Techlink www.techlink.org.nz, Transpower Neighbourhood Engineers Awards, www.nea.org.nz, and the Get Alongside programme www.ipenz.org.nz.

We would like to use material supplied by your child's teacher in our publications and promotional material such as the websites listed above and in our newsletters to schools. Material will be published in consultation with your child's teacher where possible.

We seek permission to use photographs of the student named below and/or reproductions of their work.

Not every piece of work and/or photograph for which permission is gained will be used.

No payment will be made now or in the future for any use of the work and/or photographs

Student's name.....

Name of School.....

I,, parent/guardian

have read the information above and give permission for IPENZ to publish
