

St Mary's School, Kaikorai  
6a Cromwell Street  
Wakari  
Dunedin 9010

15 February 2011

Dear Parents

We are part of the senior class at St Mary's School Kaikorai. We have decided that our project for this year is to design and build a sacred space on our school grounds.

We discussed the meaning of sacred, and we think it means something that is holy, special, loved, honoured, treasured, precious, important and full of memories. We have made posters about what is sacred to us, and have also brainstormed what we think is sacred to St Mary's School and Parish.

We would really appreciate hearing about what you think is sacred to our school and parish. Could you please let us know by making a list, or poster or draw some symbols and send it back to us at 6a Cromwell Street or email us at [rachael@st-marys.school.nz](mailto:rachael@st-marys.school.nz) or fax 476 4278.

We thank you for your help.

We will keep you informed of our sacred space plans and how we are going. You are more than welcome to come and visit us.

Yours sincerely
