Father's Day Celebrations

Thank you to those who joined us for our Family Mass on Saturday night to celebrate our father's. Our children sang and read beautifully, and it was lovely to see our children up their with their dad's. We hope you all spoiled your fathers on Sunday.

We offer our sincere condolences to the Roulston/Cadogan family on the passing of Fiona's father. You are all in our thoughts and prayers at this sad time.

A DAD isn't defined as the man who makes the child, but rather the man who extends his hands and time to help with the child's raising and his heart to love the child through anything! BLOOD doesn't always make you a DAD. Being a DAD comes from the heart.

Sometimes he misses half of dinner. If he takes me on the motorbike I have to sit on the metal, its uncomfortable, but when I drive Dad has to sit on the metal! My dad is the best in the whole world! *Matthew Rietveld*

My dad has grey hair and a prickly face. He has handsome blue eyes like his sister. He is super fast and funny. My dad is super smart and is great with technology, he even got an old phone working. He is super encouraging with my sport and sometimes he comes to my hockey games. When I stay the night with him we play minecraft and sometimes go to a restaurant for a slice and a smoothie. Dad this is my way of showing you what you meant to me and how much I love you. You've taught me to be nice and to have fun. I remember when I was a baby you fed me blueberries and I always laughed. These days I'm getting older, but I still love you. I hope you have a fantastic Father's Day and remember you'll always be my hero!

Showing how much I love you. I love how you always teach me new stuff every day because it makes me smarter. I remember when I was a baby but you would take me to the park and say me on your shoulder. I love it when we go on adventures into the wild and explore. You are a mega awesome dad.
