Dear Parents/Caregivers,

Wednesday 1 July 2015

It was a nice experience sharing food last evening and then having our children sell a range of items they had put together to support the missions. I know the children get a real buzz from running these types of events and thanks to families who were able to come along. We understand also that in some situations work or other engagements prevent some people from attending. The quality of the junior Discovery programme stood out for me when looking at the range of crafty type items in particular they had made for last night.

We have had an outbreak of Nits recently. Please check your child’s hair and treat accordingly. This means washing bedding and clothes, as well as treating the hair.

It has been a very busy term with a lot of different things going on which has been great for our children. We wish you all a lovely break with your children over the next two weeks.

On Monday our Year 3 to 6 kids went to the Edgar Centre for a cricket tournament. The Year 4-6 team won all of its games and the other team won about half of their games. It was fun playing the other schools.

For Mission Day our Year 6 group organised games to play after the pot luck tea and set up where they would be played and how much each game cost.

We have been working on our animated movies. We have put our photos into the movie programme and are starting to record what the characters are going to say. It is fun because you get to create a whole movie and do funny things with your voice.

Mid Year Progress Reports
Room 3 Children have been given written mid year progress reports today. If you would like to discuss any aspect of these reports, please contact Kelly or Richard. We are happy to have a phone discussion if suitable or may be able to arrange a meeting if required.
