

# Reindeer Collection

My theme this year is Reindeer - I'm trying to see how creative I can be and turn anything into a reindeer.

Mini tubes of M&M's, Ferrero Rocher Chocolates, Candy Canes, Chocolate bar, Chewing Gum Packet if it touches my craft desk - it's made into a reindeer.

Using Wiggle eyes, tiny red pom poms, and gold or brown pipe cleaner. Or red, black, brown marker pens to draw on the faces.

I got the supplies either at \$2 type shops, Lincraft or Spotlight.

You can find the Reindeer Lollypop template and instructions here - [www.st-marys.school.nz](http://www.st-marys.school.nz).
