Friday 1st November 2019 - Week Three

Junior Room - Mrs Dillon (Whaea Dillon)

In R.E lessons this week we have been learning about Saints. We found out the special qualities that saints have and the things they did to help others follow God. As a class we will be trying to use qualities such as kindness, patience, love, forgiveness and helpfulness to show the Holy Spirit working in us.

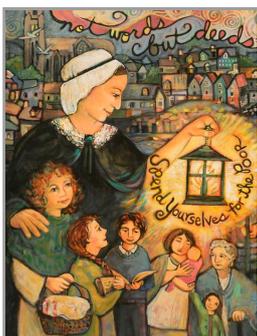

In Maths, Year 2 have been adding 2 digit numbers by adding onto the larger number. They used a strategy of splitting the smaller number into tens and ones to make counting easier.

It's been another busy week in Science as the children conducted experiments about floating and sinking. They continued hypothesising about what might happen and realised that objects float or sink according to size, weight, what it is made of, if it contains air and displacement of it in water.

Senior Room - Mrs Guthrie (Whaea Guthrie)

The children are continuing their work on their projects for their St Dominic story. They have been using their self-management, co-operation, team building and problem solving skills to ensure that they are remaining on track to complete their project on time. In RE we have been looking at pilgrimages and fairness and will begin our Communion of Saints strand next week.

Today we raised \$60.00 for the Nano Nagle Charitable Trust through our mufti day fundraiser. Thank you to all our families who supported this.

Week 3: October 28th Labour Day - 1st November

28th St Simon and St Jude Apostles

1st November All Saints Day

2nd November All Souls Day

Labour day recognises the fight and success of an 8-hour working day. We pray for all those forced to work more than an 8-hour day.

From the beginning Labour Day parades were often used to draw attention to other political or economic issues – in this case urging the government to complete a controversial regional transport project. Work on the Otago Central Railway had begun in 1879, but progress was slow. The line would not reach Cromwell until 1921.

School Calendar:

TERM 4

November:
