Readings for 11th Sunday
in Ordinary Time.

Matthew 9:36-10:8

Junior Room — Mrs Dillon (Whaea Dillon)

What a great day we had for our onesie lunch celebration. Thank you to all the parents who helped in their child's home learning. This week in R.E we have been learning about God's creation and how we can identify His presence in our world. We drew a landscape scene to show God's beauty using watercolour pencils. Next week homework will resume as well as home reading books sent home each night.

Senior Room — Mrs Guthrie (Whaea Guthrie)

Over the last couple of weeks the children have been learning about digital technology. They have been looking at how computers work including the parts that make up the inside of the computer. They have looked at input and outputs and have learned about the language that the computer talks in—binary code. They have written their names using this code.

Week 7 8th - 12th June (Green)

7th Trinity Sunday

11th St Barnabas, apostle

Many symbols try to explain and represent the Trinity. This is the Triquetra an early Trinitarian design found especially in Great Britain. For Catholic its three equal arcs represent equality, its continuous line expresses eternity, and the interweaving represents indivisibility.

Keeping Ourselves Safe

Reminder - if your contact details including phone numbers and address have changed, please let the office know by email.

Weather Conditions and School Closures:

The decision to delay opening or closing the school is made by a designated group of schools around the Dunedin area. This group then notifies local media, this generally means that we will find out about it in the same way and at the same time as you. If the school is closed for the day, or starting late, a post will be put on our Facebook page and an email sent out to all families. Please be aware that the school phone may not be monitored. The following radio stations may broadcast school closures from 6.50am:

The Hits (Dunedin) Facebook Page
Radio Dunedin 1305 AM
The Breeze 98.2 FM
More FM 97.4 FM

At all times families are to consider their own safety with regards to travel to and from school in adverse weather conditions.
