**Divine Mercy Sunday**  
(2nd Sunday of Easter)  
John 20:19-31

## Junior Room — Mrs Dillon (Whaea Dillon)

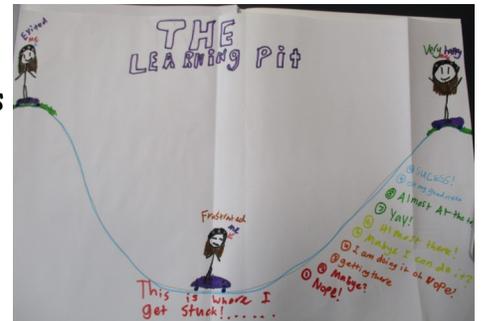

This week in R.E we have been looking at the Easter story and the different ways Jesus showed his presence to his disciples. We have also been learning about "conservation" of the ocean. The children identified things that can harm the animals and plants living in the sea and ways they can help reduce it.

## Senior Room — Mrs Guthrie (Whaea Guthrie)

In our growth mindset learning we have continued to look at ways that a fixed mindset may stop us from learning new things and how learning is not just a straight path but includes ups and downs. This is called the learning pit and by recognising that we sometimes get stuck at the bottom doesn't mean we always will be. The children have also learned about the emotions that form part of the learning pit.

**Wednesday 14th April "Scout the Active Transport Mascot" is visiting  
- bring your bike or scooter to school**

Today Katia and Zach as altar service leaders assisted Father Fredy to deliver the altar service training. An altar server is a assistant to priest during a liturgy or mass. An altar server completes supporting tasks at the altar such as fetching and carrying, ringing the altar bell, helping bring up the gifts, bringing up the bible, carrying of the Cross, among other things.

If 10% or more of eligible voters on the school roll ask the board, within 28 days of this notice being published, to hold a by-election to fill the vacancy, then a by-election will be held.

**10th April - Celebration of Saint Stanislaus.**

Saints John the Baptist, Thomas Becket, Thomas More, and Stanislaus are a few of the prophets who dared to denounce corruption in high places. They followed in the footsteps of Jesus himself, who pointed out the moral corruption in the religious leadership of his day. It is a risky business.
