Junior Room — Mrs Dillon (Whaea Dillon)

This week Room 2 have continued learning about shapes. We have been looking at 3D shapes and working out how many faces, corners and edges these shapes have. Year 2 constructed and decorated some of these. We have also been learning about how communication has changed over time and how much easier it is today to send a message and get a response almost straight away. We tested this out by sending a text to Mr Dillon and thankfully, he replied quickly! Nate did an awesome picture of his favourite part of the story "A Lion in the Night" by Pamela Allen.

Senior Room — Mr Jarka (Matua Jarka)

Mathematics in Room 2 for the earlier part of term 2 saw us studying shapes in Geometry.

We have been learning to draw and name some two-dimensional shapes. We studied such shapes as squares, circles, triangles and right up to octagons.

We also learned to construct some three-dimensional shapes from paper nets. We learned that there are two families of three-dimensional shapes: prisms and pyramids. As a challenge, we tried to construct some complex three-dimensional shapes using linking cubes and based on a supplied template. The pictures show our results. You might be able to spot your child's shapes in the photos.

At present we are studying statistics and the students are learning to count results using tally marks and to display their findings on pictographs and bar- or block-graphs. They are also learning to think of open-ended questions to find out things of interest.

Matariki Breakfast

Matariki is a time for growth and change and signals the start of the Māori New Year. **Matariki** is a celebration of people, culture, language, spirituality and history.

Traditionally **Matariki** was a time when the whole whanau got together to feast and give thanks. Help us to do this to by joining us for breakfast from 7.30am on Thursday the 8th July.

The Sign of the Cross is primarily a blessing. We use it to call God's blessing upon us. When we make the Sign of the Cross upon ourselves, we are also expressing our belief in God and the Trinity. Through it, we remind ourselves of God's love for us, of the sacrifice Jesus made to give us eternal life, and of the presence of the Holy Spirit within us.

The Sign of the Cross also gives us a way to express our belief in Jesus' death and our hope in the Resurrection.

So while making the Sign of the Cross may sometimes seem like a routine action, it is not. It marks us as Christians and is a visible expression of our belief and hope in God.

REV FREDY PERMENTILLA IS NOW A PRIEST

Please come to help celebrate and acknowledge the 10th anniversary of Father Fredy priestly ordination.

Mass is at 6pm on the 19th of June. It would be amazing to support our wonderful priest!

The last deacon in the batch of four, Rev Fredy Permentilla, was ordained a priest on June 18, 2011, 9:00am, at the Church of Mt Carmel Monastery in Lipa City. The ordaining bishop was the Archbishop of Lipa, Most Rev Ramon Arguelles DD. In his homily, the archbishop talked more on the Mission Society of the Philippines because of the fact that he was once a rector of the MSP Seminary during the early stages of the existence of the MSP. The MSP priests from Manila and Tagaytay attended the ceremonies, as well as Fr Fil Mahusay (Thailand) and Fr Suthit (Thailand) and a few diocesan and religious priests. The mayor of Lipa was present during the celebration. Some parishioners in POLA, Mandaluyong also came.

FR. FREDY PERMENTILLA LEAVES FOR NEW ZEALAND

Fr Fredy Permentilla MSP commences his first, new mission in the Diocese of Dunedin in New Zealand. He flew to this country last July 30, 2012. He will join Fr Linus Miranda, who is among the first MSP missionaries being sent to that diocese.

Fr Fredy will be staying at the Bishop's House for a few weeks prior to receiving a parish assignment. At 33, Fr Fredy would be the youngest priest working in that diocese.

Let us wish Fr Fredy good luck to his assignment.
